Volume 18, Issue 1

April 1, 1578: William Harvey born

The Barony of Storvik's news magazine

Her Excellency's Message

Greetings to the good People of Storvik, and all those who hear my words -

I hope this missive finds you well, and enjoying the first warm days of Spring. Tourney season is here, and I will be traveling often in the next few months and ask you to join me in my travels. I know I will be attending Coronation, Garb Wars and Sapphire Joust, and several others between now and our Baronial Birthday, the last weekend of May.

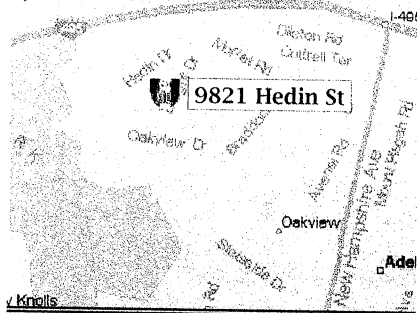

I plan on setting up a Storvik encampment at Sapphire, so let me know if you will be joining me there. On Saturday evening before dark, I plan to have a pot luck dinner. Contact me should you have any questions. Preregistration to camp with a group is necessary, and the deadline is April 20.

For those who missed the Barony meeting... I have volunteered to be camp Mom and land agent for Pennsic this year. I will be sending out information to the list and in the Drekkar regarding our encampment as I organize details. I am open to questions, comments, and suggestions. I see my job as one of organizing the camp, and not dictating how things will be, but decisions will obviously need to be made, and will make those decisions based on the input I get from you. Contact me if you are planning to camp with the Barony.

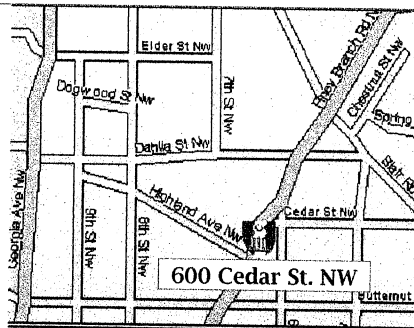

Unless I send word otherwise, I will continue to be at home the 4th Friday of each month. Join me as you can, and bring newcomers to meet others in the Barony setting. Should you have any special projects, let me know, and we can work together as need be.

Until we meet again, I remain yours, in service to Storvik and Atlantia-

Johanna von Sudeborn, Baroness of Storvik

Baronial At Home
Baroness Johanna's Abode

Monthly Barony Meeting
Baroness Brenna's Abode

Barony Meeting Minutes - March 9

Attending Citizens of Storvik-

James ap Llywelyn, Gwenllian Ferch Rhys, Brenna of Storvik, Gauss Magnusson, Holli, Stefan of Cambion, Nina of the Lost Caverns, Tirzah, Frederick Von Teufel, Johanna von Sudeborn, Sylvanus Perrin, MOrrin, Graham, Orlaith of Storvik

Announcement-

There are 150 days until the Friday of Hell Weekend (substitute note-takers note: There are also 84 days until pre-registration deadline and 144 days until Land Grab).

Officers' Reports-

Baroness - Planning on going to lots of events in the future as the season is ramping up. St. Paddy's Day Bloodbath & Tyr-a-don's Investiture named specifically as events to go to this month. She's also planning on going to Sapphire Joust. Look for Storvik's banner at events and if you are planning on going to an event post to the Storvik e-mail list to see who else is going. Wants to create a "Storvik presence" at events.

Kim has been put in charge of organizing the Barony's projects. Current projects are:

- 1) Dayshade cover needs to be repaired. Requests help
- 2) Pavillions need to be fixed
- 3) Ballista needs parts - frame is cracked and small design changes needed to method of aiming. Gauss has a cart if we want to create 2nd ballista
- 4) 3 remaining chairs need to be finished so they can be auctioned off.
- 5) Fighter tabards need to be made. We have 4 or 5 that are wearable, but only one is presentable on the field. Nina has fabric in her basement. Need to organize a tabard night. Fighters who want tabards should come and help.
- 6) Sapphire Joust - Storvik encampment is wanted. Need to fill out form for group land. Do we need a landocrat? Everyone should preregister soon.
- 7) Need to start thinking about Pennsic NOW

Chatelaine - Demo is coming up in May. Don't have any forms, brochures, etc. Newcomer's nights have used up her supplies. Forward into the past can be copied and Storvik specific ones need to be printed out.

Chronicler -- Unable to attend.

Officers' Reports (Continued)-

Exchequer – Need a replacement NOW. \$3,205.66 is ending balance for February. Need to make more money. No income from performer's revel although there was an advance for food. Event report was filed. No site fee was charged so there is no non-member surcharge. Orlaith volunteered to be new Exchequer and no one else wanted job. So she got voted in. Fredrich thanked Gauss for service as emergency stand in for exchequer.

Herald – Nothing to report.

Knight Marshall – (Announcements at fighter practice to encourage donations to help pay for site) Fighter Practice site costs \$1,020 a year or \$85 dollars a month and last year we got \$230 in donations from fighters. The donation jar for the last 2 months totaled \$44. At Curia Cuan announced a regulation change. Staring in September there is to be no exposed plastic armor. Actual text of the rule is still being worked on and will be printed in the Acorn. Exceptions will be made for hand protection from the sounds of things. There was discussion of the new rule on the Armor Archive, Raw Metal and the Iron Rose.

Minister of Lists -- Nothing to report.

Minister of Minors – Nothing to report.

Seneschal -- Nothint to report.

Events-

Baronial Birthday – There is no established theme for Baronial Birthday yet. William is open to suggestions. Announcements have put turned in but need to be changed to say "Site Fee" not "Day trip". Marshalls have been lined up. The Baron of Lochmere is doing rapier marshalling. Brenna suggested that we should give thanks to Baron since he often does rapier marshalling for us. Should give him a token or something. Brenna had copy of budget which she gave to Fredrich. Mom expenses are broken down into consumables and non-consumeables. 2 port-a-potties should be enough, as we don't expect as big a crowd as last year. Looking for help with troll, setup and takedown. Event will be at Mariatta Mansion. Fredrich volunteered to be in charge of breakdown crew but cannot do set-up as well. Johanna is in charge of setup

Events (Continued)-

Baronial Birthday -- Children's activites will include a triathalon and everyone who completes it will receive a token. The 3 activies are:

- 1) Storvik heraldry, children should wear Storvik's colors. Discussion was held on how to provide for children who's parents weren't aware of this before getting to site
- 2) Service – at least ½ hour of service should be done by each child
- 3) A&S activites – children should take part in the A&S activities which are scheduled throughout the day for them

Adult A&S needs to be planned and announced as soon as possible to allow people to prepare.

Proceeds from silent auction are going to pay for fighter practice site. This will be announced at fighter practice in hopes that some fighters will donate stuff. Everyone is encouraged to donate something to the auction.

Novice Tourney – Have head cook who has menu. MOL has also been arranged for. Need to arrange for Archery. Still looking for volunteers for many positions. Morin will do a basket weaving class. Anyone who wants to teach a beginner level course should talk to Perrin. There will be equestrian activity, seige engines; will try to have siege engine range so people who are not authorized can try it out. Wanting to offer site for Kingdom War practice. This will be one of the last events to authorize before Pennsic. Even if not doing Northern region war practice can still have a practice on Sunday. Can also have either a Northern region war practice or a regular practice after Baronial Birthday.

Old Business-

Yngvildr sent in list of property

Johanna has sheet walls, which need to be added to list of property.

Brenna proposed making new sheet walls – at least 2 for Storvik camp at Pennsic. Should make them with Gesso. Possibly make sails for the drekkar. She also said that when you paint tents you use the same technique.

No news on the demo. Johanna called Abel, asked him to post update on the e-mail list.

Polling – Fredrich has been assured that the labels will be in the mail this week. Johanna's 4 years were up last week. Can we just skip the polling and say she gets to stay Baroness? Kingdom might have problem with that.

New Business-

Sapphire Joust – would like to have a group go.

Pennsic – Johanna wants to go for the full time. Volunteers accepted to be land agent and camp mom. We want the site we've had the last two years. Nina did land negotiation before and needs to meet with Johanna since she's never done it. Need to start planning now. Any ideas for improving the camp? Shower must be reengineered for 2 stalls again.

Johanna wants to encourage talking about major events on the email list. Any ideas or plans that anyone has should be posted.

Overheard and Unattributed (to protect the Guilty)-

"One of my greatest shames is that I lost to 2 scotsmen with sheep."

"So we get to stuff her"

"Can we shoot the horses?"

"You know how when they get stiff they get good"

"Baroness Slumload has a nice ring to it"

There is a fragile truce in the Holy Land. Crusaders and Arabs alike are enjoying a break in the hostilities by gathering for a day of fellowship and feasting. Come for a day of celebration, demonstrations of skill at arms and arts, and good cheer.

The day will see both individual and melee armored competition. The tourney will start at noon after any authorizations. A target archery competition will also be held during the day. During the afternoon, classes in Beginning Middle Eastern Dance, Middle Eastern Line Dancing and Period Middle Eastern Costume will be offered. There will also be three Arts and Sciences competitions: a contest for the most authentic Crusader or Middle Eastern garb; the second will be a contest for forms of illumination depicting passages or relics of the Crusades (done in either language); & finally a competition for either song or poetic verse depicting something dealing with the Crusades. For all of these, documentation is suggested but not required. All entries are welcome.

A silent auction that has been progressing on the Merry Rose will continue during the event: A four-course late-period meal for four prepared by Minowara Kiritsubo-no-Ason and Baron Phillip of Ghent, to be served at Pennsic. All proceeds will go to the American Cancer Society. The winning bid will be announced during Baronial Court.

Merchants are welcome; please contact the autocrat in advance of the event.

A delectable evening feast of Middle Eastern, European and Jewish fare will be prepared by Laird Muirghen Ruadh. The menu is designed to reflect all of the cultures that might have been present at a gathering such as this. Middle Eastern dance performances will be presented during dinner, and there will be opportunities for those who attended dance classes in the afternoon (or dancers who are a bit "rusty") to dance as well.

The event will be held at St. James Parish in Lothian, MD. It will open at 11:00 am and close at 11:00 pm. The site is discreetly wet.

The fee for this event is \$14 on-board, \$7 day trip. Non-SCA members please add \$3.00 per reservation. The fees for children under 10 are \$5 on-board, \$2 day trip. Babes in arms are admitted free as guests of the Barony. Checks should be made payable to the Barony of Dun Carraig / SCA, Inc.

Please send your reservations to Lady Amalia Kunne (Heather Kriebel) at 1210 Addison Court, Waldorf, MD 20602. Please include the names of everyone in your party, their SCA Membership numbers, type of reservation (On-Board or Day Trip), and your contact phone number. In order to preserve the sanity of the autocrat and the cook you are encouraged to mail your reservations early. Please remember: The only true reservation is a paid reservation!

If you have any questions concerning the event, contact the autocrat, Baron Phillip of Ghent (Jim Garm) at (410) 535-2152 (before 10:00 pm). For specific questions regarding the Arts & Sciences competitions, contact Da'irine ingen Chiaragain (Dawn Ellen) at tazzzie@aol.com. April 18: *Lochmere--Night on Board VI: Overboard*

Two households, both alike in dignity, in fair Smeewick, where we lay our scene... Unrest plagues 2 houses in the 1590s in the Barony of Lochmere, led by two fair Countesses who search the populace for fighting men and women to join their households.

All able-bodied rapier fighters of Atlantia are invited to come practice their martial skills in the streets of Smeewick. Heavy fighters have an open invitation to brawl in the bear pit, where the city's populace will wager on the winners. Rumor has it that the fighting forces of the 2 households will meet in the afternoon to defend their ladies, with the army standing at the end winning the honors of the day. Included in the day's schedule are authorizations (9am), Smeewick Muster which is required for all those fighting (10am), a Gold Scarf Prize (10:30am), Bear Pit (11am), and the 2 Households' Challenge (3pm).

April 18: Lochmere--Night on Board VI: Overboard (Continued)

Arts & Sciences: For those not fighting, a display of all things heraldic will be held in the hall. In addition, a brewing competition will occur in the Golden Goblet Tavern, the Crab and Coin gaming tables will be open to teach period games, and wares will be available at Lochmart and a Silent Auction. Storvik has been granted permission to use the National Mall (south of Constitution Ave, between 14th and 15th streets) to host an SCA Demo on May 10 from 8am to 6pm. For the demo we are seeking attendance of Heavy Fighters, Fencers, Performers, & Artisans to amuse the crowd, & to demonstrate activities available in the SCA

Our land has been divided into four areas: The 1st & 2nd sections are tournament areas for heavy fighters & fencers. All interested fighters contact me. Lord Perrin (Storvik Knight Marshal) will be the marshal-in-charge for the day. The 3rd area is for performances; This would be dancing, acting, singing, etc. I wish to organize this as follows: The "leader" of a group willing to demo contact me with a preferred time allotment; I will schedule them for. The 4th area would be for A&S display by showing them on a table, or thru live demo.

Some of the things to keep in mind about the site:

1. Bone dry
2. We provide no food or drink to spectators. We can however keep some for ourselves.
3. No archery
4. No live steel; "Olympic style fencing" equipment is allowed (so fencing foils, epees, sabers, and schlaggers are ok as long as they pass SCA Fencing Marshal inspection).
5. All fencing weps. must be in a bag until they are on the list field
6. SCAdians cannot mix with the crowd wearing armor or fencing equipment.
7. Only rattan weps. for heavy are allowed (no fiberglass spears).
8. We need to provide our own chairs and tables.
9. There is no parking, but we can arrange a drop off point since we are bordered on 15th street.

9.1 Special parking arrangements can be made if necessary contact Abel; and there will be at least one truck that can transport armor

9.2 At the Storvik practice on Monday Night at May 5th there will be a truck available to load armor into to be transported to the Mall that Saturday morning.

9.3 I will try to arrange something similar for those in Ponte-Alto and cannot attend the Monday practice.

10. The National Park Service reserves the right to open any bag, box, etc.....

11. The demo will SHUT DOWN if Homeland Security issues a CODE RED. This can happen during the event.
