July 2004, A.S. XXXVIII

Volume 19, Issue 4

You all should be ashamed of yourselves!

This is a high-class Barony, with lots of talented, capable, and egotist....er, proud-to-share-their-abilities-with-everyone-around-them people. So why can't anyone give me even one tiny article?

I know you're out there. Write something. Give me a report on some neat displays/exhibitions you've seen at an event. Tell people how you did something extra-spiffy during the most recent battle or tourney. Let everyone know about your latest A&S project; you know, the one that had even the Crown slack-jawed with amazement.

Constantly filling this publication with only the minutes from the Barony Meeting, plus information on upcoming events just doesn't do justice to our Barony! I see the stuff everyone can do, I hear about all the fun things everyone participated in, but no one seems to want to share.

Well, stop that! Get up off your lazy backsides and send me something to print, something that you just KNOW everyone else in the Barony wants to know about. And send it in by the 20th of each month.

Okay, I'm done; I'll just take an extra strong dose of my meds this evening (barley and hops in a liquid infusion) and I should feel better by tomorrow.

Regards, Your Beloved Chronicler

The Barony of Storvik's News Magazine

Her Excellency's Message

Greetings to the good People of Storvik, and all those who hear my words, from Frau Johanna von Sudeborn, Baroness of Storvik.

Summer is upon us, and I rejoice to see all of you enjoying the pastimes that come with this season. There are events to attend all around us, and we are busily planning Novice Tournament, and then (so soon) Pennsic.

I am greatly anticipating the fun at Novice; Elizabeth and her staff are working to make this an event to remember, with hopefully, three new activities for this event: parades, children and horses! To explain: We plan to have Youth Combat, and the Atlantian Calvary; and I have requested that there be a processional before the Tournament - with all pomp, circumstance, heralds and heraldry. Please look for more information on Storvik's web site, or being posted on the Storvik list.

I have not been able to host you in my home recently, my schedule has not allowed but I intend to be 'at home' on Friday, July 24. I will continue to be at home the fourth Friday of each month, unless I send word to the contrary. Please join me as you can, and bring newcomers to meet others in the Barony in this informal setting. Should you have any special projects, let me know, and we can work together as need be.

Until we meet again, in the hall or on the field, I remain yours, in service to Storvik and Atlantia-

Johanna

Attending Citizens of Storvik:

Orla Carey, Katherine Matthews, Rhiryd ap Gwerstan, Anna de Brabant, Brenna of Storvik, Elizabeth Harlyn, Gauss Magnusson, Samara Caitlyn of Elfwyne, Thorbjorn Karlsson, Harl Haraldsson, Magnus McKinley, Tirza MacCrudden, Devora bat Shimshon, Nina of the Lost Caverns, Pedro de Alcazar, James Griffin, Kim of Wolfshaven, Johanna von Sudeborn, Graham, Serena de la Mar, Sean de la Mere, Sarah Buchanan, Ysar, Frederich von Teufel, William the Younger, Arbogast of Diedenhofen

Baron & Baroness to be: 4 Interested candidate couples--Frederick & Tirzah, Sean & Elizabeth, Karl & Samara, Roric & Janina. Official last chance to be a candidate is in September. In talking with Kingdom about the changeover, we may be rescheduling date of investiture so that the King & Queen/Prince & Princess can attend. If we hold it after Janos & Rachel assume office, we would have to wait until November so that we know who their heirs are.

Seneschal: No bad news concerning successor, so this should be okay.

Archer Marshall: Target Archery--purchased target butt & frame for backstop. Rhiryd has been granted a warrant and was awarded a "Bowman Elite" badge. Wants to start an official Storvik practice at 10:00 am on Saturday.

Baronial At Home

Officers' Reports (Continued):

Minister of the Lists: No report.

Minister of Minors: Nothing except that the kids are fighting nicely.

Web Minister: Updated website. Novice Tourney information added. Post Pennsic Revel information needed.

Event Report:

Baronial Birthday: Event went real well. 118 people attended. We made money (roughly 3-4 hundred). Event report to be filed.

Upcoming Events:

Novice Tourney: Some difficulty in arranging horse people; first cavalry event in Northern Atlantia ever. Announcement is out. 30' x 60' tent wanted for use (top only). Kim is doing A&S. Royal Baker will hold a sourdough bread contest. Tirzah is Head Troll. Suggested donation at door. Youth Combat to occur. Flowers as tokens?--we will investigate the possibility.

Post Pennsic Revel: No new information.

University of Atlantia: We have it! Stefan and Samara are planning it with Kim. Site for post University event is church--1/3 open for dancing, 2/3 for feast.

Yule Revel: We are planning on January 15 as of now, but we could do 12/18, 1/1, or 1/15. Moved & passed to try for permission to hold and event site on 1/1 with 1/15 as a backup. Tirzah to Autocrat.

Old Business:

Lampworking Beads: 1,000 beads of coin size requested; this is beyond the scope of Storvik's beaders and this has been communicated back to Crown.

New Business:

Put forth a registration request for the new Youth Combat Order; Frederick will cover the costs of this. Motion passed.

Kingdom has lost a box of Regalia--banners, kneeling pillows, etc.--and wishes to recover/redesign these and to redo cloaks.

The Chronicler will check the status of his warranting to be sure it is current.

New Business (Continued):

Do we want to change the Drekkar to hold announcements for our events only (No). We should get in Guild reports. We need articles. All reports and articles should be submitted by the 20th of the month.

Seneschals' Meeting: To be held July 11. What days do we want for next year's events? Baronial Championship--possibly combine with Novice Tourney on July 4 and have our Baronial Investiture as a separate event. We will have to work hard to coordinate available dates with Marietta Mansion for their availability. We will try for two dates between April 23-July 16 for whatever combination of the above we settle on, August 27 for Post Pennsic Revel, and January 7 or January 14 for Yule Revel.

Baska has 1,000 wooden disks for tokens. Moved to reimburse Nina (who was the person to actually purchase these disks) \$50; passed.

Overheard and Unattributed (To protect the guilty):

"He's a Duke; its hard to keep him killed."

"If you will help me pull it out."

Novice Tournament Bread Competition Information: Greetings unto Atlantia from Lady Hrosvitha von Celle, Royal Baker to their Majesties.

At Storvik's Novice Tourney on July 17th, I will sponsor a competition of breads made with out using commercial yeast. Other means of leaven (or non-leavened) bread is acceptable and encouraged. With enough entries, judging will be split into 2 categories. If this is your first attempt and you want pointers, bring your bread & research and we will hold a roundtable discussion. **helpful hint** contact your local brewers (who happening to be competing in June) for some brewers barm! Questions?--please contact me at kerrimart@cablespeed.com

Novice Tournament Equestrian Information

There are special requirements for minor authorizations; Baroness Beatrice can fill you in on what you need to do before the event (the parents should contact her BEFORE the event). Minors must be authorized on the horse/pony that they will be using that day of the tournament, using the same equipment. This means that if a minor authorizes at this event, then they will have to authorize again at the next event if they do not have the same rental horse & use the same equipment. This is a Society equestrian rules, not an Atlantian rule. Also, as we do not have the equipment required for smaller children, Beatrice will probably not authorize any children 12 or under.

In theory two advanced riders can share one horse, two intermediate riders can share one horse, & three beginner riders can share one horse (includes splitting the rental cost). Beginners can share a horse as they are only allowed to ride at a walk at all times, while intermediate & advanced riders are likely to tire out a horse more quickly because they compete at higher speeds. You can send in your registrations in pairs, etc. for sharing horses; the pre-reg form has that option on it.

All riders & ground crew must take the safety class offered at the event. Currently we are planning to teach the class during the lunch break. This class is one hour and will authorize participants as Non-Riders. The cost is \$5.00 per person to get the authorization card. If a person also authorizes as a rider that day, they only have to pay the \$5.00 once and will get both authorizations on their card.

You will need closed-toed shoes (preferably boots with a heel) & pants of some type (even if worn under the skirt. You don't want to ride with bare legs against the saddle or you will get pinched). Try not to wear dangling garb, has loose long sleeves or other things (necklaces, pouches, etc.) that can get caught on the saddle or weapons. Don't wear things that flap in the wind a lot & scare the horses.

All minors must wear a riding helmet; it is also recommended that adults wear one, but it is only required for minors. Minors must also have one of their parents or legal guardians on site & paying attention to them while they are on a horse (at ALL times they are on the horse, the parent/guardian must be watching the child).

Loner equipment will be provided, but if you have some of it that you can bring for your own use, that would help out. The swords are rattan with strapping tape on them, but no basket hilt (can have a hilt - but you don't need one and is safer without it). We do not use lanyards on the weapons in Atlantia due to the danger of getting the ropes caught on the saddle horns. The length varies - anything that is legal for a heavy weapon sword (except great sword - too long) is ok. In fact the swords fighters reject after they start getting too bashed up and have soft spots work great for the games. There will be lances available.
