Unto the Populace of Storvik doth Corun and Brenna send Greetings

Good Gentles of Storvik, as We write this missive, some of our forces are returning from the recent uprising in the south. We expect tidings of the outcome of our battles in Trimaris at any moment.

Rumors of the Great Annual War in the north are increasing among the populace. Preparations for this war are in evidence all around - tedious. In Stierbach, for example, a Birthday Bash and Northern Regional War Practice will be held on July 6th. A large turnout is hoped for to show our good King the strength of our arms.

As part of our preparations, we will be making tabards for our troops, on July 20th beginning around 12:00p at the Baroness' home. We call upon your assistance for this project.

Speaking of projects, other sewing projects can be brought to the Baroness' home on Thursday evenings throughout July, beginning round 6:30p until ? Some assistance will be available, if needed. All of Storvik working side by side in the great progress toward war.

On the lighter side, We have noted with favor that the attendance at the dance practice has increased. There is instruction for those who wish to hone their dancing and other necessary skills (flirtation should be a war point!), at the Baroness' home every Wednesday night.

Also, Monday night rapier practice at the home of the Baron is quite encouraging.

In service to Atlantia, and Storvik,

Corun MacAnndra
- ***Baron of Storvik***

Brenna of Storvik
- ***Baroness of Storvik***

Not Enough Saxon Violence October 26-27, 1996

The year is 948. The place is Viking Kingdom of York, Northumberland, England. The Anglo Saxon Chronicle records that:

This year king Edred overran all Northumberland; because they had taken Eric for their king; and in the pursuit of plunder was that large minster at Rippon set on fire, which St. Wilferth built. As the king returned homeward, he overtook the enemy at York; but his main army was behind at Chesterford. There was great slaughter made; and the king was so wroth, that he would fain return with his force, and lay waste the land withal; but when the council of the Northumberians understood that, they then abandoned Eric, and compromised the deed with king Edred.

The Barony of Storvik invites you to come and join us in a recreation of Edred's campaign against Eric Bloodaxe. On October 26, 1996, at Patuxtant River Park (Croom), one of the battles of Edred and Eric will be fought. On one side, Norse and Danes. On the other, the English and Danes. Weapons and shield forms are limited to those known in 10th century England, Ireland, and Scandanavia (i.e., round or kite shields, and single-handed swords or axes, spears, Viking two-handed [long] axes. No great swords, two swords or pole-arms other than spear or Viking long axe). Non combatants may watch the battles, or participate in the recreation as a Camp Follower or Refugee.

Following the battles, there will be a feast, drawn from A Handbook of Anglo-Saxon Food & Drink, prepared by the Camp Followers in period fashion. Weather permitting, the feast will be eaten around the fire. The mead-horn will be passed, and each warrior encouraged to boast his tale of battle. The following day, Sunday October 27, a Kingdom War Practice will be held.

The site will open Friday Evening, October 25th, for early arrivals. Onboard space at the feast is limited to 75 people; offboard space is unlimited. We have reserved camping space for at least 100 persons. The fee structure and directions will be posted in the September Acorn. The Autocrat is Lord Beornheard of Wearmouth, 301-559-7852, tyeryar@aol.net. The Head Cook is Lady Elise Clairmont, enolan@aol.net. Questions and comments are encouraged!

Northern Region War Practice and Stierbach Birthday July 6, 1996

The Shire of Stierbach invites you to the Northern Region War Practice and Stierbach Birthday Feast. The site is the practice fields at Metz Jr. High in Manassas, VA. The field is soacious, with little or no shade so bring your pavilions and water. There will be plenty of parking available and an unloading area for your convenience.

The site fee is \$3 in advance or at the door. However, the feast must be paid for in advance. The money must be in Lord Leifr's hands by the Stierbach's July 4th Demo at Costello Park in Manassas Park. Adults Feast is \$8, Children 12 and under \$4. Make checks payable to Shire of Stierbach, SCA Inc.

There will be a prize of goblets for the best liveried lance (unit of 3 to 6 heavy fighters and water bearer or rapier fighters). There will also be an A&S display with a theme "It works at War".

The troll will open at 9 am. Officer's call, for everyone above the rank of lance leader, will be at 10 am. A feast will be served at 6:30 pm and we will have to throw you off the site at sunset.

For more information please contact the autocrat:
Lord Lief Johansson (Lance Harrop) 703-368-9658. For motel or crash space contact Baroness Annejke (Martha Wallenhorsta), (703) 257-0363.

*Lords! Ladies!
All Interested Nobles!*

An avid practitioner of knife and tomahawk throwing wishes to introduce the art of 'airborne steel' to the Barony.

For those baronial residents with more enthusiasm than experience, one-on-one and small-group sessions will be scheduled.

Already have experience but you want more, you say? Excellent! You can assist with getting those with less up to speed.

Where will this all lead? To a good time, I hope.

Sound like fun? Interested?
