**Her Excellency's Message**

Greetings to the good People of Storvik, and all those who hear my words,  
from Frau Johanna von Sudeborn, Baroness of Storvik —

I hope this missive finds you in good health, and enjoying the last of the summer's warmth. The equinoctial storms herald cooler days, and the bright colors of fall shall soon surround us. It is almost the time of harvest, but we must secure our lands before we can tend to those needs.

Ill tidings come from Glengary - Although Storvik's warriors fought brave and true, Atlantia's forces were overwhelmed by Aethelmarc; we were not able to hold the castle. Keep guard to the west & send word if scouting parties cross into our lands.

Our good King, Cuan, has called us to arms, and we shall soon travel to Bright Hills to defend our border against the East Kingdom. Kingdom Crusades will have plenty of classes as well as fighting, and the merchants are sure to be there in full force. Those of you who are not defending our lands, please join me on this journey. On Saturday evening before dark, I plan to have a pot luck dinner. Contact me should you have any questions.

Unless I send word to the contrary, I will continue to be at home the fourth Friday of each month. Please join me as you can, and bring newcomers to meet others in the Barony in this informal setting. Should you have any special projects, let me know, and we can work together as need be.

Until we meet again, in the hall or on the field, I remain yours, in service to Storvik and Atlantia-

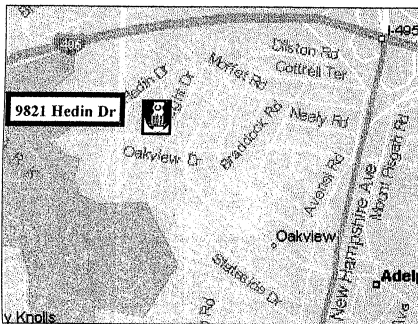

Johanna

Seneschal: Northern Regional Seneschal Meeting—We wanted four dates, we got all four. We need to decide if we'll do Baronial Championship or Novice Tourney first; decision by acclamation was to go with B. Champs May 31 to June 1, with Novice Tourney the second weekend in July

Lovely Coronation—Johanna go an award, which she returned to the Crown for use by their retainers.

Arts & Sciences: September A&S is "SCA Top 40"; the following Wednesday is lampworking. Our MOAS needs to step down.

Chatelaine: Nothing is happening, but anything out on loan has been returned.

Chronicler: Major apologies for the September issue delay.

Exchequer (via Gauss): There was a mix-up with deposit of funds for the Armida Council into the Storvik account; funds got transferred and redeposited, so Jaelle is sending a check to make things right. \$2449.00 in account as of end of July.

Herald: Absent.

Bright Hills event: Do they still need to borrow the tent; contact soon.

**New Business—**

Coinage: Previous Crown very pleased with the old coinage; new Crown may want some new coinage. Can we get 30-40 ready by next Tourney? Perrin says yes.

## Atlantia — Kingdoms Crusades: October 11 to 13

Autumn's song stirs, high in Atlantia's north, strewing notes of vermilion and gold 'cross the fields of Honour's Worth. In her Heart's rhythm beat the drums of battle, while her harmonies echo valorous voices raised in challenge. Two mightiest of armies, two mightiest of friends, therein shall they honour the ancient oaths, renew the bond which never ends. No greater glory than to stand next to the other, Orientalis and Atlantian realms; no greater Honour than to take the field 'gainst their brother, two kindred Crowns from kindred Lands.

The challenge goes out: all manner of skills shall be tested, with sword and blade alike, with bow and with hand, with voice and dance and pen will the proud people of these Kingdoms encourage each other to continue in their strivance for excellence, thereby enriching us all.
