**Harvest: Not Just for Autumn Anymore**

*The harvest begins in June. Although the fruit trees don't look to be laden with fruit, men are mowing a cereal crop and the women are raking it up. On the left margin, a boatman seems to have just let a man in red into a side entrance to the castle. Très Riches Heures du Duc de Berry. Via [Wikimedia](#).*

## OYEZ! OYEZ!

### *Baronial News Highlights*

June 15-18: Known World Dance and Music Symposium: Storvik hosts this amazing event next month! A true society level event, it has over 100 classes in European dance and music, Middle Eastern dance and music, and bardic. It will feature balls and haflas in the evenings as well as performances during the day. Check out the website for more details ([www.kwds.org](http://www.kwds.org)). This event travels around the world and will likely not be back in Atlantia for a long time.

Injuries at Monday Practice: If you get hurt at the Monday practice, whether you are an armored or a rapier fighter, please tell the Knight Marshal, Angeline. Heck, if you are a dancer, tell her.

Pennsic Pre-Reg Closes June 17: Going to Pennsic? [Pre-register before June 17](#) to guarantee space at a campsite. Many camps require campers to pre-register. Atlantian Royal is open to all subjects of the Crown this year. Contact one of the [camp stewards](#) for more information.

Doing Art?: If you have organized a class or A&S activity – thank you! The SCA's non-profit status hinges on our educational efforts. To document these for the Tax Man, please send a short note including what your activity was and how many people attended to the [Minister of Arts and Sciences](#).

AwesomeCon: We have a table at [AwesomeCon](#), DC's comics and fandom convention that's June 16-18. We have four passes to the con, for people who want to work the table. You don't have to be tied to it, but we expect a chunk of your time. Contact Carlyle Jamesson.

## Skol!

*Word-fame for those in Storvik's hall*

Many, many gentles were recognized at recent events (Ruby Joust, Novice Tournament). I beg the populace's indulgence and will wait until the court reports are available, lest I forget to include someone.

I have heard it said that celebrity infant Braedon now has his own theme song, from the pen of our baronial bard Charles Alexander! Perhaps it will appear in the July Drekkar...
