## **Skol!**

*Wordfame for those in Storvik's hall*

From our intrepid field reporter, Lady Tibbie Crosier:

For those who weren't at the Battle on the Bay court, Storvik showed once again why it's the barony of overachievers. **Baroness Tala** was inducted into the **Order of the Pearl** by Their Majesties for her knowledge and promotion of Middle Eastern and North African culture. **Marguerite** was formally announced as the new baronial seneschal. Their Excellencies noted that she had been a newcomer at last year's Battle on the Bay. She jumped into the SCA with both feet and has been serving the barony with enthusiasm. At the Baron and Baroness's petition Their Majesties awarded Marguerite her **AoA**, making her **Lady Marguerite**. Their Excellencies of Storvik also recognized **Lady Angeline** for her prowess in rapier and her service to Storvik fighters as the baronial Knight Marshal by awarding her the **Silver Silkie**.
