Greetings from their Excellencies!

We hope you are all enjoying both the brisk winter air and a warm hearth on your return home. We know we've made a few frozen guardians who will protect our home from any harm, standing at least two feet tall with arms like branches!

Have you begun working on the something you plan to master this year? If so, we'd love to hear about it in the next Drekkar, or in word-fame passed along. At the most recent SASS meeting, Mistress Teleri had us all excited about discussing documentation, and as that group continued chatting through the evening, we made a plan to work on the Persona Pentathlon for 2022. We are hoping to meet monthly to maintain accountability and help knock roadblocks out of the way. Progress is part of the journey that's more fun to walk together and we welcome all travelers. Even when we are restricted from being in person, we can gather virtually and cheer each other along those paths. Regardless of your level of compete, we love to get together at the many events hosted each month to share our joys and struggles and to grow together.

Our anticipation is growing for the upcoming Virtual Atlantia University as we hear all the courses that fellow Storvikii and the rest of Atlantia have prepared. The diversity and skill on display are amazing.

And finally, we hope you are all considering who might make good successors as baronage. We'd love to hear from you whether you might be interested or think of someone else who might make a good candidate. We enjoyed sharing our experiences with the barony at our recent at-home and look forward to meeting again this month.

Baronage

Baron Celric and Baroness Ilaria/D. And M. Bartlet

- Soliciting ideas of who might be good baronage. Would like at least two sets of candidates

Events:

- Novice 2021: autocrat not present. TRM asking that new blood in running events; volunteers for autocrating event are welcome. Croom site.
- BotB 2021: Budget vote still needed. Recommended minimum attendance 100. Still planning the event. \$13 pre-reg, 15 at the gate. Break-even point of about 200 people, 60 for feast. Uncertainty on restrictions, so planning as usual but with flexibility. Pre-reg only may be an issue because of uncertainty. We'll know two months out if go/no-go. Budget needed a month out. Site is already paid for; nothing we need to approve this far in advance. Seneschal noted BotB might be turnover point for B&B, which may affect necessary minimum size. May also be a morale issue for not having it. MoL: if we do have a limited number of attendees, we should get a smaller and cheaper site. More to be discussed next meeting.
- Worldcon: the hotel closed, so is now up in the air, and issues involving the con chair.

Old Business:

- Financial policy: have a new Google Doc with everything we've gone over so far. Still working from the 2015 Kingdom document and have the SCA document. We need a meeting: Seneschal, Baronage, Exchequer, Replacement Exchequer. Deputy Seneschal & Chronicler probably need to be on the meeting. End of next week anybody interested in going should tell Seneschal/Exchequer.
- Church: Exchequer talked to church, still happy to work with us. Will send out new contract. Question: can we access storage closet? There's a low priority banner. We should be able to pick it up.

New Business:

- Time to renew post office box. \$150 to rent. MoL motions to renew the post office box. Motion passes. J. Flesser to pay for it and Exchequer will reimburse.
- B&B: wants to shift disinvestiture away from first weekend in June because they're maybe having a kid that weekend.

Meeting adjourned 7:38 PM. Next meeting via Zoom on January 17th, 7-9 PM.
