Greetings from their Excellencies!

Storvikii,

We are excited to welcome the new Royal Majesties, Eckehard and Jane. Thank you to all of the Storvikii who added to the gift baskets; we were able to make a varied and lovely set of gifts showing off numerous Storvikii skills, and all were well received.

Our populous and all who attended the Storvik Novice Event were welcomed back into in-person activities. We'd like to thank our Autocrat, Seneschal and all of the Autocrat's staff for helping host a wonderful event, especially with the number of changes that kept occurring even up to the last few moments. We wish we could have been there, but our last-minute change of plans required us to stay home with the midwife to welcome the newest member of our barony. The baroness and he are doing well, may Odin continue to smile on our barony and bless us all with healthy families.

The Baronial At-Home was used this month to get to know all three sets of our baronial contenders. They each answered 8 multi-part questions, as well as ad-hoc questions from the audience, to help the barony understand more about each

candidate. The questions and answers were recorded and will be hosted on a YouTube site by our Seneschal until the polling is completed. Should you be moved to do so, please watch it if you were unable to attend.

One bit of news that you will be able to find elsewhere in this newsletter, Fighter Practice will be up and running once again, starting July 12th. We look forward to getting back into tourney-shape, learning or remembering skills atrophied over the course of the long sequestration, and rekindling the fire of competition in the hearts of our warriors. Make sure you've read the new martial rules and COVID protocols, and get ready to have your armor inspected if it hasn't been in a while! Safe, educational, fun, combat!

Exchequer notes that parking lot is covered. Maugie: thinks we should open up in August, or July if everybody's vaccinated. Gracie: we have two credits with St. Andrew's; we should use them for twice in July. Thinks we'll get people used to it that way. Exchequer: we can do that if St. Andrew's has two weeks notice. Chronicler: just open up in August after prepping for it. Tirzah: talk to the fighters first. Deputy Chatelaine: informal infrastructure rebuilding already happening. They're getting itchy and ready to fight. Seneschal: our Knight Marshals are not yet available; we need a person to set it up. Baronage: we still have COVID issues (no loaner armor, masks mandatory, no outside toilets or water). Baron is still warranted, can be onsite. You need to fill contact tracing sheets. Seneschal summarizes that the consensus is that we plan to start fighter practices on the 12th as a weekly. Vote on that passes. Vote on starting up archery practice (assuming we can get a marshal) passes. Chatelaine will be in charge for that.
- Johanna and Tirzah wants a reservationist @ storvik email.
- Discussion on what to do about WotW campsites (Gracie has a good site); do we want a Storvik WotW site?
