## Greetings from their Excellencies!

*Thegn Gracia settles back as the pull of the oars against the seas guides her drekkaar back toward Storviki shores. Today was a good day. The ways are beginning to open and travel and trade once again beckon on the horizon. Today there was travel to the port of Me-bane where artisans from many places gathered. It was a bustle of activity and many displayed the fruits of their research and labor. The ravens brought messages that Lady Sonya had, for the first time, produced a great ethereal display of a nalbinding project and that Lady Marta also displayed skill with thread and needle. Word-fame is given to those who share the treasure of their art and display the works of their hearts and hands.*

*A particular memory grows and fills Gracia's heart. Upon arriving in the early hours of the morning, Gracia set upon the hall and arranged the strands of beads that she carries with her. Another gentle exclaimed... "That is the most epic strands of beads I have seen". A smile slowly spread across Gracia's face as the beads fell into place, gently clinking against each other.*

*"Epic indeed. I carry the greatest treasure, the deeds of strength, valor, service and skill that are the Barony of Storvik' We tell the Story of the ones that came before. Of lonely brooches bearing no wealth. Of how these great strands came to be and how we continue to add to them.*

*As the day fades, Gracia seeks shelter at the hearth of her heart-sister and begins to plan. There is more to come – Our Clan Cousins in Stierbach are requesting assistance Defending the Gate at the Battle of Pavia (Defending the Gate, Canton of Sudentorre, March 26, 2022) and preparations must be made.*

*The ships will sail and the halls must be prepared. As the hearth fire warms her she smiles as sleep settles over here.*

*The hall will be ready, the hearth fires will burn.*

*Storvik is epic.*

*Storvik is fire.*

*Storvik is home.*
