April 15, 2023 – Performers' Revel

Barony of Storvik - Bowie, MD.

(Please note, this is a "Baronial Activity" rather than an official Kingdom Event.)

Continuing a tradition whose origin is lost in the mists of time ... on Saturday, April 15th, the ancient and venerable Performers' Revel will take place in the vasty halls of Caer Bear. This is an event OF performers FOR performers BY performers! The call goes out to all musicians, singers, poets, dancers, actors, storytellers, jugglers and other practitioners of the performing arts. Novice performers are particularly encouraged. Are you perhaps learning a new art or skill? Are you perhaps reluctant to perform before a packed and noisy hall? Then this event is especially for you! By longstanding tradition, we have no audience - everyone who attends must contribute at least one performance. But fear not! The definition of "performance" is quite elastic. Give it a try!

PRACTICALITIES: By ancient custom, the revel will be held at the home of Baron Igor Bear and Baroness Fevronia Murometsa, 2204 Amber Meadows Drive, Bowie MD 20716. The site is wet (as long as you are 21 or older) and very cheap! The hall opens at 10am, performances usually start around noon and continue until the last vestiges of energy run out. Once again, Lady Alicia of Cambion, assisted by Baron Igor, will provide proof that cooking is a performing art! The only fee is \$12 to cover the food, if you want to partake.

[NOTE BENE: small children may find the need to sit quietly rather tedious, so parents may want to make appropriate childcare arrangements].

Site: 2204 Amber Meadows Drive, Bowie MD 20716.

Site Restrictions: Um Don't be a turkey?

RESERVATIONS: Baroness Fevronia Murometsa (Kathleen Sobansky) 2204 Amber Meadows Drive, Bowie, MD 20716. Again, please note, this is a "Baronial Activity" rather than an official Kingdom Event. Checks for the food can be made out to Ed Sobansky. (Any monies beyond actual costs will be donated to the Barony of Storvik). Please let us know of any food allergies or requirements.

DIRECTIONS:

Take the Beltway/I-95, 495 to the MARYLAND exit for Route 50. Take Route 50 East, towards Annapolis. Go about 6 miles to the exit for Route 301. Take Route 301 South. Go down about 2 miles to Mitchellville Road (it is a traffic light). Turn right on Mitchellville. Go about 1/4 mile to Arbor Hill and turn right. Take Arbor Hill until it T-bones into Alderwood. Turn right on Alderwood, then take the first left onto Alstead, and an almost immediate right turn onto Amber Meadows Drive. We are 2204 Amber Meadows Drive, 3rd house on the left. Our phone is 301 390-4428.

QUESTIONS:

May be directed to Baroness Fevronia Murometsa, owlharp@juno.com or 301-390-4428.

Greetings from their Excellencies!

Greetings Storvik!

Thank you all who braved wind and weather to come and celebrate the Coronation of Afshin and Yasamin. Despite the challenges thrown to us by Mother Nature, we persevered and had an enjoyable time.

Next up that we are hosting are Novice Tournament and the Awesome-con Demo and while those events will get their due, John and I wanted to take moment to specifically address the happenings at Coronation because WORD FAME EARNED IS WORD FAME GIVEN and no brighter has this Barony shone than this past weekend.

- Our Autocrat, Juliana received her Golden Dolphin!
- Sir Carlyle (yes, we still claim him) received his Golden Dolphin!
- Lady Sonya Flicker received her Pearl!

We are grateful to our Monarchs for recognizing the hard work, artistry and dedication of the populace, but there is so much more to this past event...

We speak specifically of the aftermath of the event.

We had wind gusts, according to reports we have been able to find between 30 and 46 miles per hour. The strongest evening gust, during feast was clocked at 46 miles per hour. For Safety's sake, we shut things down and battened down what we could. While we jokingly sing the drinking song that says, *Drink to the storm tossed seas* – we certainly did not ever mean this kind of tossing!

This type of weather left the site in complete disarray. We battened down anything we could to keep it from flying and waited it out until morning. The winds were still there but significantly less.

We put the call out for help. Nothing was done the night before (we could not) so we knew site cleanup and closure was at a deficit.

NEVER HAVE WE BEEN PROUDER OR OUR HEARTS FULLER.

We were onsite by 9:30am and there were already people a-moving. By 11am we had more hands than we knew what to do with. People walked the site to try ensure nothing flew away (and rescued a baronial banner that tried to take off), people gathered trash, did dishes, moved canvas, kept us smiling and laughing. People who could not make it back out sent encouragement but reached out to make sure everyone was okay.

The rolling kitchen takes a minimum of 3 -4 hours to fully load when we start at zero. Just the kitchen. That does not include dropping baronial canvas, etc.

With your help and encouragement the site was walked and we were fully locked, loaded and rolling in 4 hours flat. Had the call gone unanswered we would have been there for at least another 4 hours.

Our Populace and nearby neighbors all jumped in and there are not enough words to thank everyone for their assistance.
