## Greetings from their Excellencies!

*From the field:*

*As days grow shorter and the wild geese fly, so too will we be traveling south in the months ahead. First we will journey to the War of the Wings, where fighters and scholars will match steel and wits. Soon after is Crown Tournament, place of choosing for the next mighty Heirs of Atlantia. Thegn John has answered the great challenge issued by his Majesty, and will join the tourney; we welcome any Storviki or friend of Storvik who would join us in our procession.*

*After that, it will be time for the cozy comforts of home, with visits to our fellow-Thegns as they drive the gathering dark away with feasts and celebrations. We plan to wield a mighty ladle at Highland Havoc, and*

*cast a critical eye over the wonderful wares of Holiday Faire.*

*Wherever we are, we shall keep the fires of hospitality and welcome well-fed. If you come across us in your travels, think yourself already invited to share in our warmth and merriment, and to bring your own as well.*
